The venue	The activity
Zone Bowling Cannington	We kick off the holidays with a visit to a bowling alley. It is time for our famous GGS OSHC Bowling Comp Test your coordination and aiming skills to see how many strikes you get!
George's Marvelous Medicine	What starts as just another boring day for George quickly turns into a marvellous experiment of epic proportions! Just remember – do not try this at home! Cleverly adapted from the much-loved book by Roald Dahl, George's Marvelous Medicine bounds off the page in a spectacular live show. The award-winning team behind the multi-Helpmann Award nominated Australian production of Roald Dahl's Revolting Rhymes & Dirty Beasts brings you this brand-new stage adaptation from the wacky mind of the World's No. 1 Storyteller. Direct from a sold-out season at the Sydney Opera House, George's Marvelous Medicine is packed (to the rafters) with mischief, music, magic and mammoth laughs.
High Flyers WA	Come and have a go at a fun casual session of gymnastics, tumbling, trampolining and FreeG with free running techniques for anyone. Coaches are there to watch for safety, it is not a formal class. It does not matter if you are an ex-gymnast or your first time at High Flyers, this session lets you try all disciplines.
Horrible Histories – Pirates	Avast ye landlubber! A gruesome band of pirates will be commandeering the WA Maritime Museum to teach ye what it takes to be a truly horrible pirate. Cap'n your own pirate ship, design a fearsome flag, and arm yer'self with wicked weapons – from cutlasses to cannons. Discover the rigorous rules and perilous punishments that was a part of life aboard ship, and gather 'round to hear tales of menacing pirate men and women. Visit if ye dare!
Lollipops Baywater	This wonderful indoor playcentre has dedicated rooms to different age groups and challenges a plenty for all who visit. Climbing, jumping, exploring and swinging will keep everyone busy today.
Brikz 4 Kidz	Amazing Animals is the theme for this amazing incursion. The program is built around kits designed by a team of Lego engineers and architects and provides an opportunity for creativity and imagination.

NOTES
Please ensure that your child arrives each day with their own bottle, and that they wear closed in shoes on their excursions. Each excursion has a risk assessment, route map and descriptor available at the OSHC service for you to see. Please remember that when we are on excursions, under the government regulations for our service we are required to stick to the approved excursion plan and are therefore unable to take children to shops or cafes unless it is part of the program.

Terms and Conditions are available for each service type. Please see these for specific booking information relating to cancellations. For permanent bookings there is a full session rate. If a child attends who has not been booked in outside of 24 hrs a casual rate will apply. Where a child is booked in and either does not attend or cancellation is within 24 hrs a non-attendance/late cancellation charge will apply. In vacation periods bookings are essential due to maximum numbers the centre can hold. A non-attendance/late cancellation charge applies for non-attendance or cancellation within 48hrs APART from excursion/incursion days where a period of 1 week (7 days) applies
