2015 WACE PERFORMANCE

We are pleased to report the WACE results achieved by the Guildford Grammar School boys of 2015 and congratulate them on their fine academic achievements reflected in these results. We acknowledge the hard work invested by these boys and their teachers, supported by their families and friends.

Pleasing academic achievement was again a feature of our results, with 21 boys (18.75% of those sitting four or more Stage 3 examinations) achieving an ATAR above 90, ranking their results in the top 10% nationally. Four of these boys achieved an ATAR of 97.5 or more, placing them in the top 2.5% Australia-wide. These boys have the honour of entering Guildford Grammar School's Academic Honour Guild (previously known as the 400 club).

Our special congratulations go to Max Chapman, who achieved an ATAR of 99.85, Samuel Imperial (99.05), Benjamin Armstrong (98.2) and Jacob Shearing (97.65).

A snapshot of the Class of 2015 reveals:

- 88% of all Guildford Grammar School Year 12 students achieved an ATAR
- 21 (18.75%) of students achieved an ATAR above 90
- A further 28 students (25%) achieved an ATAR of between 80 and 89.95
- The median ATAR of students applying for University was 78.70

It is pleasing to note that 49 students out of 112 (or 43.75% of Guildford Grammar School students who sat four or more examinations), were placed in the top 20% of the state using the ATAR as the measure.

Nineteen members of the graduating class achieved entry to the Senior Academic Honour Society, which requires the impressive attainment of a minimum twelve A grades across the first eighteen months of Years 11 and 12. These boys were:
