Payment of accounts

Parents may choose to pay a discounted annual fee by 31 January, 2020; alternatively, the full annual fee may be paid in four equal instalments prior to the **first day of each term**, or by nine equal instalments via direct debit.

The Principal will not permit further tuition to be provided for any student whose fees are not received by the due date. Parents experiencing difficulties in meeting their fee commitment should discuss alternative arrangements with the Finance Office. Whilst every attempt will be made to come to a suitable payment plan, ongoing arrears will lead to formal recovery procedures. Please ensure that when mailing payments, sufficient postage time is allowed to ensure the payment is received in the Finance Office by the due date.

Withdrawal of a student

1. The Principal must be given a minimum of a term's notice in writing prior to the withdrawal of a student, or a term's fees will be charged in lieu of such notice. Signature of both parents must be recorded. Please contact the Registrar for a withdrawal form.
2. An offer of enrolment for boarding will be for the four terms of the year. Any request for withdrawal, subject to the provision of a semester's notice, will require the balance of the boarding fees for the remainder of the year to be paid.
3. Enrolment as a boarder in Year 12 is for the full academic year (eg four terms).
4. In case of a split family, confirmation must come from both parents.

Application fee

A non-refundable fee of \$120 is payable when the completed application form is sent to the School.

Acceptance/endowment fee

A non-refundable capital contribution of \$2,895 is payable per family to accept a place following a successful interview with the Principal or her delegated representative. Families will be given a grace period stipulated in the offer paperwork to pay this fee, which will secure the place up to 24 months in advance of commencing at the School. The fee is reduced by \$700 for entrance at Year 11 and by \$1,400 for entrance at Year 12.

** These fees and charges are applicable for students with Australian permanent residency. All other students will be charged in accordance with the Overseas Students' Fees and Charges Schedule.*
