2024 **Semester 2**

Guildford Grammar School

FOUNDED 1896

Important information

Important information

- Use this brochure to help your child/ren choose their activities and club(s) for 2024. Stay tuned for seasonal clubs each term.
- Visit the co-curricular website, www.socscms.com/login/28731/parent to sign up for activities and view individual Club calendars.
- From Semester 2 2024, we will move to a preference based system, rather than a first come first served process.
- Please note that locations may change due to the dynamic nature of the prep environment. Please check socs for the most up to date information on logistics.

Sign up process

Once logged in, select your child's activity/club preferences by following these steps.

1. Select the day for your Prep Club selection (e.g., P MON After School). The available Prep Clubs on this day will appear for your child's year level.
 2. Select 'Set Preferences'.
 3. Select the order of the clubs you wish to be considered for in the drop-down box, starting with '1' (most preferred). Select as many preferences as you wish to. You do not need to set a preference for every club listed if it is not essential that your child is allocated to a club on this day.
 4. Select 'No Club' (e.g., 'No Club MON After School') as your final selection. This alerts the system that you have finished setting your preferences, 'No Club' is essentially the "full stop" to your list of preferences.
 5. Select 'Save Preferences'.
 6. Repeat the process for as many days of the week as you wish.
- Another window will open and show you any conflicts this club may cause with other activities already in your child's calendar. If you wish to proceed, click on 'Add Activity'.
 - Following allocation of activities, consent and payment information will be distributed through Consent2Go. Once payment and consent have been received, places in Clubs are confirmed.

Sign up timeline

- Sign up open Sunday 25 August, noon.
- Sign up closes Sunday 1 September, noon.

Weekly Summary of Activities

Clubs and Ensembles

To assist you and your child in organising their weekly co-curricular commitments, please use the following table as a guide. Although there are inevitable conflicts between some of these activities, it is our intention to maximise our time around the academic schedule to offer a diverse selection of activities and provide a variety of opportunities to students.

The table is broken into 'Morning Activities' and 'Afternoon Activities' with a summary of respective times per activity/club/ensemble. Activities and clubs are shown in blue. Music ensembles are shown in green. Further activity and club information can be found in the pages that follow.

Please note

We have included the currently mapped Drama Production Rehearsals and Music ensembles in this schedule so you can plan your week. Music ensembles are coordinated directly via the Music Department, and typically run annually, via invitation or audition.
